

# AHF COMPLETES SCHOOL BAG DISTRIBUTION ACROSS ALL SIX AHI VILLAGES

6 March 2026

Ahi Hope Foundation (AHF) has successfully completed the Ahi School Bag Pack Distribution, a 2025 carry-over project, delivering vital school resources to young learners across all six Ahi villages.

This initiative was funded by Ahi Investment Limited (AIL) through Ahi Charitable Trust and directly supports Sustainable Development Goal 4: Quality Education, which aims to ensure inclusive and equitable education for all children.

By providing elementary and lower primary students with 2106 school bags and essential supplies amounting to Pkg138,000, the program strengthens early learning, boosts school readiness, and encourages children to begin schooling at the right age, a key factor in improving long-term academic outcomes.

From 9th to 16th February 2026, AHF team conducted the distributions across all six Ahi villages, including outreach to scattered Ahi households residing outside core village locations.

Distribution numbers were guided by the Village Development Plan (VDP) household survey. Priority was given to households that participated in the survey; however, all eligible children, whether listed or not, were supported to ensure no child was left behind.

School Bags Distributed by Village:

- Yalu – 296 school bags
- Hengali – 325 school bags
- Kamkumung – 699 school bags
- Butibam – 156 school bags
- Yanga – 324 school bags
- Wagang – 306 school bags

The completion of this carry-over project reflects the strong collaboration between Ahi Investment Limited, Ahi Prudential Development Limited, as Trustee company of Ahi Charitable Trust, Ahi Hope Foundation, and Beneficiary Liaison Committees, as they continue to drive community development and educational empowerment for the Ahi people.
